### Wide World Festival

**15<sup>th</sup> – 25<sup>th</sup> August 2024**

Welcome to the smallest – and probably most charming – beach culture festival of the summer! Barefoot to the opera? No problem here! A visit to the theatre in beach clothes? Why not! Chill out in the sand over a literary reading? That works! The line-up for the WIDE WORLD Festival is open, tolerant and can't be pigeon-holed. Very different artists share a stage here. The stylish beach bar offers refreshments and a wide variety of food trucks provides cool drinks and tasty street food. The new favourite summer spot on Strandterrassen, in a deckchair or in the pallet lounges.

The festival of a thousand lights can be experienced with artistic performances and a firework by the lake at the romantic-enchanted Godewindpark. The trees, the lake and the meadows transform into a shining sea of lights in the evening hours and create fantastic scenery for night owls and those who love to take a walk under a starry sky.
